Schedule of Programs

Taking the Mystique Out of Learning Disabilities: Do you hesitate to take on a learner with suspected or diagnosed learning disabilities? The fact is that a large percentage of adult learners in our programs struggle with this challenge. This session, based on the book by Ricki Goldstein, includes information on; definitions, how to recognize the signs, and choosing compensatory strategies.
- **12:00 noon - 1:00 pm**
Lunch on own..
- **1:00 pm - 3:00 pm**
Oxford Picture Dictionary: This resource is on just about everyone's list of favorite resources for English learners. In this session explore the new Second Edition, which includes categories focusing on life skills, daily activities and "story pages." Get tips on how to create lesson plans for one-on-one tutoring and small group instruction using this resource.
- **3:00 pm - 5:00 pm**
Adult Literacy Handbook: The Center for Literacy created this handbook for students and tutors. It offers a straightforward, plain-language discussion of basic tutor tips and research-based activities. Explore some of the learning theories and strategies and discover how to use them in your reading, writing, numeracy and computer skills lessons.

A collaborative learning event brought to you by the Florida's Adult and Family Literacy Resource Center, a program of the Florida Literacy Coalition. This workshop is made possible through the support of the Florida Department of Education, Workforce Education.
